Current documents must be attached.

--

Changes regarding legal controlling influence

If a state, region or municipality have a legal controlling influence over the organisation please provide a brief description on how ownership or governing has changed. You must attach documents that show that your organisation is not under legal controlling influence:

- Ownership document or documents that show who controls your organisation. Such control can, for example occur through voting rights, shareholdings or contracts.

Changes regarding publicly funded welfare activities

- The organisation does no longer conduct publicly funded welfare activities.

If the organisation that you represent no longer conduct publicly funded welfare activities you are required to deregister the organisation so that it no longer is part of the register. Read more about how you deregister the organisation at www.kammarkollegiet.se

- The organisation does no longer intend to conduct publicly funded welfare activities.

If the organisation that you represent no longer intend to conduct publicly funded welfare activities you are required to deregister the organisation so that it no longer is part of the register. Read more about how you deregister the organisation at www.kammarkollegiet.se

Signature

Submitted changes must be signed by authorised representatives. This form must be printed and signed by hand. You must provide documents that certify this authorisation:

- Organisations that are registered with Bolagsverket or Länsstyrelsen must attach their registration certificate where authorised representatives are stated. The registration certificate may not be older than one month.
- Organisations that are not in the registers of Bolagsverket or Länsstyrelsen must attach a copy of the approved minutes or equivalent documents that show the current structure of the board of directors and who is authorised to represent the organisation.

By signing I certify that the information provided is correct
