## About the organisation

Here you must answer questions that the Act (2022:900) on Registration of Idea-based Organisations requires your organisation to comply with in order to be registered. You must also attach documents to support your answers.

Is the organisation idea based? \*

To be an idea-based organisation is to be a legal entity that solely has a public service purpose which is stated in its statutes, articles of association, an official record or an equivalent document.

Yes If Yes: Where is it stated that the organisation solely has a public service purpose? Enter page number, paragraph or chapter

No If No: **The organisation must be idea-based**

Does a state, region or municipality have a legal controlling influence over the organisation? \*

Legal controlling influence means that your organisation is owned or governed by the state, regions or municipalities resulting in control of your organisation. Such control can, for example, occur through voting rights, shareholdings or contracts.

Yes If yes: **The organisation may not be subject to such legal controlling influence**

No If No: Where is it stated who ultimately owns or controls the organisation? Enter document name and page number, paragraph or chapter

Does the organisation conduct publicly funded welfare activities? \*

Publicly funded welfare activities mean welfare activities that are funded in the framework of, for example, public procurement or system-of-choice, or through grants from the public sector.

Yes

No, but we intend to do so

Does the organisation have a provision regarding how assets will be distributed upon the organisation's dissolution? \* (This question does not apply to Swedish foundations)

Statutes, articles of association or an equivalent document must have a provision that states that the remaining assets upon the organisation's dissolution will only be distributed to other registered idea-organisations or to research. This in accordance with the legal limit on value transfers.

Yes If Yes: Enter page number, paragraph or chapter

No If No: **The organisation must have a certain provision**
